RE: Michael Shawn Campbell

To The Honorable Myron Thompson

I would like to start by saying my name is Brent McKee. I live in Dothan AL. I have known Michael for the past 10 years. I have always known Michael to be well respectful to others. Michael has always worked to support his family. He has always been brought up in a Christian atmosphere, he is a very loving and caring father to his children of 2, Sarman and Austin, they are 12 and 8 years old. He has always had his kids involved with all kinds of sports. I truly believe that Michael was doing what he has been taught through life with his kids to be a loving father and husband. But since he has been locked up he has now lost his wife, she has decided to divorce him, the papers have already been served. His mother's health is not good at all. We all miss Michael, so do his children. They need him. I truly think Michael has seen the light in this matter. He's paid dearly for these mistakes. So your Honor will you please take all of this in your heart on court day.

Thank you Sir, Brent McKee
